DATA PRIVACY POLICY

The Sixt privacy policies can be accessed via the following link: <https://corporate.sixt.com/privacy-policy/>. Here you can find out which personal data are processed by Sixt and for what reason. With the submission of your Amadeus Office-ID you accept that, due to technical requirements, your agency data will be forwarded to the provider(s) of third party booking tools used to create Sixt mydriver reservations.

The place of jurisdiction of this agency agreement always depends on the national subsidiary of SIXT, where the travel agency has its place of business. The agreement will be concluded between the travel agency and the Sixt subsidiary or franchise partner of the country where the agency is located.

Kindly note: Agency encashment via collective settlement requires a positive credit check. By signing this application, you authorize the respective Sixt subsidiary or franchise partner to obtain the necessary credit information from your local bank or corresponding institution.

Please consider that in the event of missing tax reference or incomplete bank account information we cannot induce any commission payments. If commission payments for Sixt rent a car and Sixt mydriver should be made to different bank accounts or the beneficiary address does not correspond to the travel agency address, please also tell us separately in your written reply.

Please send an e-mail with (a) a copy of the completed and signed application form certified by the seal of the company as well as (b) a copy of your business registration to travelagency@sixt.com.
